

FCC Commissioners  
The Federal Communications Commission RE: Docket 04-435  
445 12th Street, SW  
Washington, DC 20554

Dear FCC Commissioners ,

I am writing to voice my concerns about the FCC's proposal to relax the restrictions on the use of cell phones on airplanes in flight.

Please have pity. I took two bus tours last summer, and wouldn't you know -- some cell phone junkie was behind me and across from me. We never got a minutes peace from the time the bus started till the time we returned. Constant chatter about nothing, and at the top of their lungs.

Please leave the laws as they are. We all pay the fares and I know they have their rights, but just like cigarette smoking, it's an unhealthy menance.

Sincerely,

Claretha Davis
